The wedding program

Nico d'oro

Only when the violins sing and the doves take flight can the power of love and the strength of magic unite. Nico d'oro combines classical music and the art of magic in a poetic and cheerful play in which the wedding couple have to prove their love once again.

The play about love, courting, conquest and marriage is staged with great sense of charm and subtlety. The Trio d'oro includes, besides Nico, a pianist and a violinist, which will turn 'the most beautiful day of your life' into an unforgettable occasion, with romantic Intermezzi, table music and small surprises.
