# Nicomagic

"Nico the magician stems from the world of Roncalli or the Palace of the Snow Queen. Or maybe he comes from another planet altogether!" thinks the *Hamburger Abendblatt* .

And the *Tageszeitung* from Berlin reports: "Nico Valentino - a superstar in the magical universe."

Nicomagic- the illusionist that captivates his audiences from Cape Town to Hamburg, a master of individual and universal magic shows. And as a media consultant for tricks and unique shows he is one of the most versatile illusionists around. However he made his name in the universe of magic with breathtaking and delightful shows such as Nicognito, Nico Nocturno, Nicolino or Nicodirettissimo.
